

Spirit Stickers

***Only \$1.00
per sticker**

**Stickers sell for
\$3.00-5.00
each!**

Show your spirit!

International style stickers are a great fundraiser for your school or group. The oval stickers are 3"x4.5" and are made from the finest synthetic (polypropylene or polyester) materials. We use automotive-grade color pigments that are heat-fused onto the material, so the image is resistant to weather, car washes, etc. All of our stickers are cut as individual stickers (they do not arrive on rolls). The stickers are flexible and easy to apply. Our stickers typically last between a year and two years outdoors under normal weather conditions. Some customers have reported their stickers lasting as long as 7 years! Stickers are semi-removable, meaning that they are fairly easy to remove initially, but over time the bond will become more permanent.
